This is because the address is the same.

Here are some possible reasons: <ul style="list-style-type: none"> • Benefits may have been paid to the eldest sibling's card. • The card may have been mailed to another listed guardian's address. That address would be from the school. If so, please work with that party to get your child's benefits. • Benefits may have gone to a child outside of your household. This is if the school had your child listed as living at that address. That address had other eligible kids. If this is the case, please work with that party to get your child's benefits. <ul style="list-style-type: none"> ○ We cannot separate a benefit that has already been paid out. ○ Benefits cannot be paid retroactively. <p>***Benefit is paid based on information the school has for the child.
